Summer Camps

Every day is an adventure at apple seeds

Apple Seeds is excited to launch its fourth summer of camp apple seeds!

Awarded "Best Day Camp for Little Kids 2008" by Nickelodeon's Parent's Connect, Camp Apple Seeds is an opportunity for preschoolers to play, laugh and make new friends while developing independence and self-confidence. Programs are designed for children ages 3-4 and foster fun, curiosity and learning in a safe and clean environment built just for them.

"Camp Apple Seeds is distinctive in many ways," says camp director Janelle Rooks.

"Our camp offers unique activities that reflect what parents and kids have come to love about apple seeds. Small groups allow each camper to

receive personalized attention while they explore the world at their own pace."

Each day is centered on kid-friendly themes (outer space, wild west, around the world, and fairy tales and make believe to name a few).

With a hands-on approach to learning through activities like, cooking, science, construction, art, crafts, music, movement and many more, kids gain confidence, learn to share and work together, make friends, but most importantly, have fun.

Your children will love our kid-friendly and creative program — you'll love hearing all about their adventures at the end of the day.

Our camp staff has over 17.

years of camp experience and bring their individual talents to the program.

Our counselors will lead your children through daily activities, silly games and songs, and help them separate gently and smoothly right away. They are warm, professional and responsible, and inspiring; campers will look forward to seeing them everyday.

Camp Apple Seeds runs from June 7-August 27, Monday-Friday from 9:30 a.m.-12:30 p.m. and includes a healthy snack. We offer two-week sessions with flexible weekly schedules.

Call (212) 792-7590 for details or to sign up. Register now and receive 10 percent off camp registration.
